Resolution - 2023-2024 - 1

Subject: Resolution to Pay Senate Chairperson

The Senate/Board of Directors of University at Buffalo Student Association Inc. ("SA") hereby approves its Chairperson being paid \$120.00 per week as an employee of said corporation for such person's services as Chairperson.

The basis for board approval is as follows: the amount set forth above appropriately compensates any Chairperson for the work typically performed by and expected of the Chairperson, including but not limited to preparing for meetings of the board and coordinating meetings of the board.

This resolution shall pertain to the current Chairperson and any subsequent Chairperson(s). This resolution shall not change the term of a chair, or how a chair may be elected or removed.

Supplemental Funding Request

Powerful United Ladies Striving to Elevate (PULSE)

Submission IP: 24.169.25.133

Submission ID: 30965

Submission Date: 02-12-2024 13:37:36

Council: POC

Club Name: Powerful United Ladies Striving to Elevate (PULSE)

Requested Through: Senate Supplemental Funding - gavinkra@buffalo.edu

Requested by: Tania ramirez , Treasurer (taniaram@buffalo.edu)

Event Description:

Event Name: Pulse Royalty Pageant

Event Start date and time 04/01/2024 5:00 PM

Event End date and time 04/01/2024 10:00 PM

We would like to hold a P.U.L.S.E. Royalty Pageant, where 10 contestants (maximum) would compete to become one of our three organization pillars, and the headlining winner Ms. P.U.L.S.E., totaling 4 winners. The timeframe for the event would be 5 pm -10 pm, totaling 5 hours of the rental request. There would be approximately 3 rounds consisting of Professionalism (based on their resume background and community service as a woman of color), Talents (where they would demonstrate acts they consider to be talents - 5 min. maximum performance), and lastly Scenarios ("What would you do?" game where all contestants will be given same question/scenario but be blinded/"can't hear" the responses of the other contestants). We will have about 4 judges who will be deciding on the winners and we will have QR codes on the tables/chair handles for the audience to vote for contestants' winners as well.

Benefits of the event to UB undergraduates: The purpose of this event is to provide women of color with further representation of our mission statement and pillars, plus show appreciation for the contributions women of color at UB have made thus far.

Purpose of event: The purpose of this event would be to highlight and award successful WOC making a change for themselves as well as those around them, and creating a face for our club and what we stand for here at UB.

Resolution - 2023-2024 - 8

Subject: Resolution Regarding Step Troupe

Submitted by: Becky Paul Odionhin President, Grace McDowell Vice President, Unnati Agarwal Treasurer

WHEREAS, the University at Buffalo Student Association Inc. (“SA”) Senate recently amended the SA Annual Registration and Requirements for Recognition Policy; and

WHEREAS, under the previous version of that policy, a club’s recognition status being frozen by the University at Buffalo (the “University”) would result in that club’s derecognition by SA; and

WHEREAS, the recent amendment to the Annual Registration and Requirements for Recognition Policy on 2/21/24 altered that policy, one effect of which is that the University freezing a SA club no longer results in the club’s derecognition by SA; and

WHEREAS, Step Troupe was recently frozen by the University shortly before the rule change described above; and

WHEREAS, the University has informed SA that the University has already unfrozen Step Troupe; and

WHEREAS, the SA Senate finds, in the full context of these particular circumstances, that the following decision is fair, just and reasonable;

NOW THEREFORE, BE IT RESOLVED THAT the SA Senate hereby determines that Step Troupe’s SA recognition status is hereby determined under the current updated version of the SA Annual Registration and Requirements for Recognition Policy (not the old version), resulting in the effect that Step Troupe continues to be recognized by SA, and that Step Troupe shall be

deemed not to have been derecognized by SA for any period due to the University recently freezing the club's status in 2024;

AND BE IT FURTHER RESOLVED THAT this resolution shall not otherwise alter the club's obligations under any policy; and further, this resolution shall not prevent SA from taking any action (or require SA to take any action) with respect to Step Troupe pursuant to the SA Violations Policy regarding the club's conduct that resulted in Step Troupe's status freeze by the University.

Resolution - 2023-2024 - 9

Subject: Resolution Regarding the Student Suicide Prevention Act (SSPA)

Submitted by: Becky Paul Odionhin, President

WHEREAS, SUNY Stony Brook student Vignesh Subramanian and the Stony Brook Undergraduate Student Government has proposed, and the UBSA Senate believes in and advocates for, the amendment and expansion of the Student Suicide Prevention Act (“SSPA”) to include colleges and universities and require the development of specified suicide prevention policies on said campuses; and

WHEREAS, expanding the scope of the SSPA would bolster efforts to preserve the health, safety, and general welfare of the undergraduate students this body represents;

THEREFORE BE IT RESOLVED, that the UBSA Senate supports the existing provisions of the SSPA, but supports additional efforts to address the needs of NYS students in higher education, and;

BE IT RESOLVED, that the UBSA Senate respectfully recommends the addition of provisions to the SSPA that would uniformly require NYS colleges and universities to adopt policies on suicide prevention, require their resident assistants and staff to be trained in mental health aid, and require the development of appropriate referral and reporting protocols, outreach strategies, and peer support programs for the support of at-risk students.

Resolution - 2023-2024 - 10

Subject: Resolution Regarding Amnesty International

The date of the relevant event shall be switched to March 26, 2024 for the Amnesty International club's Supplemental Funding Request that was approved on 2/21/24 for \$878.60.

Supplemental Funding Request

Society of Women Engineers (SWE)

Submission IP: 38.95.249.5

Submission ID: 31069

Submission Date: 02-19-2024 12:21:15

Council: Engineering

Club Name: Society of Women Engineers (SWE)

Requested Through: Senate Supplemental Funding - gavinkra@buffalo.edu

Requested by: Melissa Patino, President (mapatino@buffalo.edu)

Event Name:	WE Local Wichita	Event Description: Society of Women Engineers hosts local conferences each year for women of all ages to come and develop their professional, technical, and networking skills. There are affinity group meetings for those with common interests/traits, professional development workshops like resume review and interview preparation, talks about different jobs/industries to inform those interested, KeyNote speakers who are well-respected and have inspiring stories to share, and a career fair with recruiters looking specifically for members of SWE.
Event Start date and time	03/15/2024 7:30 AM	
Event End date and time	03/16/2024 5:00 PM	

Benefits of the event to UB undergraduates:

The career fair will give members the chance to learn about internships/co-ops/jobs from various companies all over the U.S. who are looking to hire members of the Society of Women Engineers. They will have the chance to stand out to recruiters and increase their likelihood of securing a position. They will also have the chance to develop their skills professionally with other women in their field, getting advice about what did/didn't work for them. There are information sessions regarding different job titles/paths, which will get students familiar with the wide range of options for their careers. They will also have the chance to network with a diverse set of women from all over the world, of all ages, opening up the door for many future opportunities. Students will have the opportunity to represent the Society of Women Engineers at the University at Buffalo and speak on behalf of our program here at UB as well.

Purpose of event:

The purpose of this conference is to create an opportunity for members of the Society of Women Engineers to network and gain professional experience. The event will allow Women in Engineering students to step outside of their comfort zones in an inclusive and supportive environment. This conference will provide professional development workshops, mock interviews, career fairs with on-site recruitment and interviews, and networking events with students all around the United States, and countless other opportunities. This event inspires and teaches students to advocate for themselves and for women in general, which builds confidence and is valuable for real-world situations.

Event Name: UB Mock Trial ORCS Tournament

Event Start date and time 03/16/2024 7:00 AM

Event End date and time 03/17/2024 11:00 PM

Event Description:

UB Mock Trial qualified for the Open Round Championships (ORCS) held in Cincinnati. This is the next round of tournaments towards Nationals. The competition is super competitive and we only qualified on February 18th.

Benefits of the event to UB undergraduates: This tournament allows pre-law students to get an understanding of a courtroom environment. It will also allow UB to become a nationally ranked Mock Trial program, leading to increased participation in invitationals. Overall, it is a way to keep UB competitive in the mock trial realm and allow our members to compete for the ranking they earned at this past week's regionals.

Purpose of event:

The event is for our members, who did well enough in regionals to qualify for ORCS, to compete in another tournament with the goal of making it to nationals. This will allow UB to get a lot of recognition and increase the respect for our program as a whole. It will also be a great educational opportunity for our members to sharpen their skills and further their legal understanding.

Event Description:

Event Name: Punjabi Gala

Event Start date and time 04/13/2024 3:00 PM

Event End date and time 04/13/2024 11:45 PM

UB SSA's Punjabi Gala is an annual cultural event for the students attending University at Buffalo and individuals of the Buffalo community. Punjabi Gala has gained immense popularity over time as hundreds of students have attended in previous years. In Spring 2023, UB Sikh SA's Punjabi Gala was sold out within a matter of days. The influence of this event has increased exponentially and has encouraged South Asian associations from other schools to incorporate their own Punjabi banquet events encompassing the same traditions. Additionally, attendees of Punjabi Gala are encouraged to dress in South Asian attire and are invited to join SSA in a traditionally catered South Asian dinner.

Benefits of the event to UB undergraduates:

Due to the increasing popularity and support Sikh SA receives annually, we hope to be able to host even more people this year. We have decided to host this event after the month of Ramadan is finished, allowing students of other cultures to also be able to enjoy the Punjabi Gala in Spring of 2024. Many student groups are deeply involved with the itinerary of Punjabi Gala. This includes traditional dance performances from the Buffalo Bhangra team and the Buffalo Giddha team, both of which portray the Punjabi dance culture and encourage people of all backgrounds to participate in performances. We expect a major increase in our attendance as a result of this. In the month of September we held our first GBM which had more than 60 attendees. With the help of this grant, Sikh SA hopes to host the Punjabi Gala in Spring 2024 to provide students with a stress-free environment to enjoy South Asian culture with traditional food, dancing and an opportunity to connect with other students. We hope that we will make a positive impact on the UB community and strongly contribute to the university's mission to diversity as we have in years past.

Purpose of event:

Punjabi Gala is a large event that encompasses components of many South Asian cultures from many different countries including India, Pakistan, Nepal, and Bangladesh. This event serves as the final culmination of SSA's mission to share our rich Punjabi culture with the students at UB throughout the academic year.

The original amount of money that we were given last semester was 5550. After taking account the DJ, Catering, and Venue we have \$305 left and we wanted to use that money towards the photobooth and decorations. We just need an 'OK" from the senate to use the money we have left over towards this and then an additional \$250 dollars to build the backdrop for the photobooth by using the decorations from Amazon.

Event Description:

Event Name: Heaven Gala

Event Start date and time 04/27/2024 7:00 PM

Event End date and time 04/27/2024 10:00 PM

UBGC will be hosting its first ever Heaven Gala. This event seeks to be more interactive and engaging with all attendees of this event. During this event, there will be live performances featuring music, dance, and spoken word. In addition to our own choir members performing through song and dance, we will also invite guest performances from other clubs on campus. Last but not least, we would also like to have a guest artist to come and perform at our Heaven Gala. This event will take place on Saturday, April 27, 2024, at 7pm in Harriman Hall on the UB South Campus.

Benefits of the event to UB undergraduates:

- Provides an inclusive environment and space on campus for members of the student body to worship and fellowship with others of the Christian community.
- Our event serves as a means of encouragement for students and to uplift them in times of hardship, especially as finals approach at the end of the semester.
- Provides a time for students and others outside of the UB community to have fun and take a break from exams, assignments, and other stressors.
- Establishes connections with the UB student body and other stakeholders (parents, churches, etc.) outside of the UB community.

Purpose of event:

The purpose of this event is to engage the student body of the UB campus and provide an inclusive environment and space on campus for members of the student body to worship and fellowship with others of the Christian community. We are hosting an event on campus for students to destress while also learning and building relationships with others. We also seek to establish connections with the UB student body and other stakeholders (parents, churches, etc.) outside of the UB community. We also want to encourage people as final exams and papers will be coming up at the end of the semester.

Last semester, our E-Board members had to use money out of our own pocket in order to purchase items for our Fall 2023 Concert. UBGC has taken an active and intentional approach to building our presence on campus while ensuring that we are benefitting the larger UB community and its students. We have resumed our General Body Meetings (GBMs) in addition to having regular choir rehearsals in preparation for our Heaven Gala and Open Mic Night. Ultimately, we see to engage the students of the UB community and the wider local Buffalo area. However, we are requesting the funds in order to become bigger and better. Thank you so much for your consideration!

Event End date and time 05/05/2024 2:15 PM

Event Description:

UB Badminton Open Play Practice provides UB students the opportunity to enjoy the sport of badminton and be part of the growing community of the world's fastest racquet sport. Practices are on Sundays from 11 a.m. to 2 p.m. at Triple Gym, alumni arena complex.

Benefits of the event to UB undergraduates:

Having quality grade birdies and a game standard net system will finally allow UB undergraduates to enjoy the sport as it is supposed. Right now due to the lack of quality in our club many badminton enthusiast having been enduring the travel costs and entree fees to go to off-campus private clubs to play this sport. If we can provide a environment that is up to the standards of the sport many of UB undergraduate badminton player will be playing in UB Badminton saving them money and time.

Purpose of event:

The purpose of this event is to provide and maintain a quality game play where badminton players get to train and enjoy the sport as it is supposed to. Without nets many of our member have been waiting or worse playing without a net. This pose a danger as many student neglect court line due to lack of net system leading to accidents from player inability to distinguished court separations. Having nets will expand out court count also allowing our collegiate team to finally practice on campus instead of spending money to train off campus. The purpose of having high grade birdies is to enhance our training and club hosted tournaments. Being in a division 1 collegiate sport we will need to constantly be using these high grade birdies to maintain consistency in our game play. It will also allow us to host serious competitive tournament.

Other information that you want the reviewer(s) to know::

UB Badminton have been and is still struggling to get proper equipment especially birdies and quality net system. During this academic year most of our budget was used to provide some equipment like rackets and net system for 2 courts which has improved conditions in gameplay however we still need a little more help in nets and birdies to complete the experience that badminton should be. Badminton is the fastest net sport and like the other net sports tennis, ping-pong, volleyball, and more you can't play a net sport without nets. Badminton birdies is also a defining necessity of this sport, right now we have been using plastic birdies however in a competitive level it hampers quality game play which needs to be consistent in order to prepare for future tournaments.

All the supplemental itemized request have been overestimated for shipping and researched tirelessly by our coaches as the best in pricing and equipment standard and most convenient for the PO process. Although there might be other cheaper options we recommend against them as from experience some of the cheaper equipment have broken in less then a semester. If you have any questions or concerns feel free to email me at chingjie@buffalo.edu.
