Drexel University is hosting a mock trial invitational tournament that we have been invited to compete at.

**Benefits of the event to UB undergraduates:**

It's a more competitive and more prestigious tournament than University at buffalo normally gets to go to. A tournament like this will continue to build up the skills of our competitors . ### Event Description:

**Event Name:** Punjabi Gala

**Event Start date and time** 04/13/2024 3:00 PM

**Event End date and time** 04/13/2024 11:00 PM

UB SSA's Punjabi Gala is an annual cultural event for the students attending University at Buffalo and individuals of the Buffalo community. Punjabi Gala has gained immense popularity over time as hundreds of students have attended in previous years. In Spring 2023, UB Sikh SA's Punjabi Gala was sold out within a matter of days. The influence of this event has increased exponentially and has encouraged South Asian associations from other schools to incorporate their own Punjabi banquet events encompassing the same traditions. Additionally, attendees of Punjabi Gala are encouraged to dress in South Asian attire and are invited to join SSA in a traditionally catered South Asian dinner.

**Benefits of the event to UB undergraduates:**

Due to the increasing popularity and support Sikh SA receives annually, we hope to be able to host even more people this year. We have decided to host this event after the month of Ramadan is finished, allowing students of other cultures to also be able to enjoy the Punjabi Gala in Spring of 2024. Many student groups are deeply involved with the itinerary of Punjabi Gala. This includes traditional dance performances from the Buffalo Bhangra team and the Buffalo Giddha team, both of which portray the Punjabi dance culture and encourage people of all backgrounds to participate in performances. We expect a major increase in our attendance as a result of this. In the month of September we held our first GBM which had more than 60 attendees. With the help of this grant, Sikh SA hopes to host the Punjabi Gala in Spring 2024 to provide students with a stress-free environment to enjoy South Asian culture with traditional food, dancing and an opportunity to connect with other students. We hope that we will make a positive impact on the UB community and strongly contribute to the university's mission to diversity as we have in years past.

**Purpose of event:**

Punjabi Gala is a large event that encompasses components of many South Asian cultures from many different countries including India, Pakistan, Nepal, and Bangladesh. This event serves as the final culmination of SSA's mission to share our rich Punjabi culture with the students at UB throughout the academic year.

Other information that you want the reviewer(s) to know::

These funds will be used towards booking the venue, Bollywood DJ, Halal South Asian catering, decoration. These expenses are necessary for us to execute a lively and inclusive atmosphere for all of our attendees. In previous years, SSA has used rollover funds from previous ticket sales, fundraiser events, and the granted SA club budget to use towards funding this large event. We feel that we do not have sufficient funds as we aim to make ticket prices affordable for students. With the expected increase in attendance requiring a larger venue, it is imperative that we are able to properly finance this event to create a great cultural event for the UB community.

To whom it may concern,

I am pleased to write this letter in support of the UB Sikh Student Association's efforts to promote diversity and inclusivity among the UB student body through their event "Punjabi Gala". Given the wide range of cultural backgrounds that UB students have, it is crucial that these cultures are portrayed and celebrated. Such celebrations increase cultural competence and conversations among those of varied backgrounds, thereby fostering cohesion among diverse groups.

The Sikh Student Association organizes several events throughout the semester which are open to UB students regardless of their cultural backgrounds. The "Punjabi Gala" is an event that showcases several aspects of the Punjabi culture, which is not only a part of Sikhism, but is also a part of Hindu, Muslim, and some Christian cultures. This event has traditionally been open to all UB students regardless of their cultural background and will continue to serve as an inviting space for portraying several aspects of the culture.

The Council of Advocacy and Leadership (COAL) programming grant funding will help the Sikh Student Association in organizing an exciting event for students, which will include South Asian music, South Asian food that will cater to several dietary restrictions, and a welcoming banquet hall as the venue. In summary, the Sikh Student Association's efforts toward organizing a destressing and welcoming cultural event is an excellent initiative.

To Whom It May Concern

I am writing this letter to support UB Sikh Student Association's (SSA) application for the COAL grant. I am an Assistant Teaching Professor in the Department of Biological Sciences (BIO). As a part of my service, I also serve as chair of the Diversity, Equity and Inclusivity (DEI) committee in the BIO department. Additionally, as a service to the WNY community, I serve as the General Secretary of the India Association of Buffalo, as well as I am a teacher volunteer at a local Sikh temple, where I volunteer to teach the Punjabi language and Punjabi folk dances to kids. Through my volunteer work, I have had the privilege of being a part of teams that organize several events that showcase and share the culture and heritage from various racial and ethnic backgrounds. Through such events, I have gathered knowledge of so many other cultures – I have become more open minded, and mindful of other's beliefs. Being a part of such events have really made me grow intellectually and become a better teacher. This is the reason, I decided to support SSA's application for funding – as through this monetary aid, they'll be able share the Punjabi culture with the students not only from the Punjabi community, but also the with the diverse student body at UB.

SSA has been around since 2014, and they have always tried to foster an environment of inclusivity and diversity on campus – something that aligns with UB's DEI mission. Cross cultural displays nurture a sense of belongingness and promote a community feeling. Through their marquee event- the Punjabi Gala, SSA aims to display the richness of the Punjabi culture – folk dances (Giddha and Bhangra), food, and open dance floor. This event is all in one – it's educational, recreational and would enrich the social experience of the students who attend it!

A COAL funding will certainly help the SSA body achieve their aim of organizing an event that will help students entertain and take a mental break. With the increasing logistic costs (venues, sound and music systems, vendor costs etc.), the burden might come on the students who plan on attending the event – something that would certainly be mitigated if SSA gets this grant.

I wish SSA the best and hope that they have a great and successful event. If you have any questions, or if there is any other way in which I can support their application, please feel free to reach out me ([nsehgal@buffalo.edu](mailto:nsehgal@buffalo.edu)).

Sincerely,

*Nitasha Sehgal..*

The Tae Kwon Do club only has gear from many years ago and a majority of it is either damaged or missing. We only have working chest guards which means many people who don't have the money for their own gear are missing feet/shin/forearm/hand/helmet guards which takes away much of sparring. In addition to this we do not have boards or hand targets to practice technique outside of sparring. Our club has had many new undergraduates this year and would benefit greatly from being able to provide proper equipment to our members.

		<b>Event Description:</b>
<b>Event Name:</b>	Bid - Northeast Classic	Our club was charged a late fee for not paying Northeast Classics Tournament Bid Fee on time. After very transparent communication on our end, and supplying the tournament director all the information he requested regarding UB SAs payment process, we were left in the dark until he charged us this morning with a late fee for not paying the original bid fee on time. We had informed of SAs 30 day process and sent along as much documentation as possible. We even followed up and he responded to none of those emails until this morning when he sent the said late fee. We have already met with SA Finance on 11/10 and sent them all the email chains associated with our communication and explained the whole situation. They are going to fight against the late fee for us but advised us to go along with filling out this supplemental funding form if the issue does not get resolved with the vendor.
