FIESTA '24**

INTERNATIONAL FIESTA HARMONY

JOAN LIU

BIOCHEMISTRY BS
3RD YEAR

INTERNATIONAL COUNCIL
COORDINATOR

UNDERGRADUATE
STUDENT ASSOCIATION

Harmony is a soulful balance where we feel content with ourselves. Harmony also represents the coming together of diverse cultures instead of the antagonization of our differences; it highlights how these differences harmonize to create something greater. It also represents balance: different elements coming together without overpowering or conflicting with each other.
