Any sport club who has a coach must annually and upon any change submit their coach's information to SA prior to any work being completed. This is done by the club having their coach complete 1. a Coach - Volunteer Agreement, 2. a Coach - Paid Independent Contractor Agreement, or 3. Such other arrangement as may be approved by the SA Officers if the club is purchasing other goods or services together with coaching as a package deal.

In reference to any Club that is looking to use the Paid Coach Agreement all finance policies and procedures governing the encumbrance of funds must be followed before SA will complete the contract and agree to pay the coach. No Coach may start coaching or performing duties prior to completion of the requirements under this policy.

Only SA Officers can sign the contract with the coach. As such SA can cancel the contract with the coach at any time according to the agreement terms.

Either the SA President or Administrative Director may require prospective coaches to submit proof of certification(s) that they have completed SafeSport training, and any certifications required by the league(s) in which the club participates as a condition of allowing them to coach their respective club.

Two SA Officers (one of whom must be the SA President) may terminate any paid or volunteer Coach at will.

No clubs other than clubs in the Sports Council may have paid coaches or other paid advisors.
