Any such proxy shall only relate to a single meeting and shall terminate at the conclusion of such meeting.

(ii) SA’s Rules of Procedure for Meetings of the Members may, but are not required to: (1) allow for proxies to be submitted by electronic means, and/or (2) require that the proxies be personally turned in by the Member at certain location(s) and/or time(s), so that the Member’s identity can be verified by the Elections and Credentials Committee, even if electronic means of submission are used.

(iii) Proper submission of a proxy ballot before the meeting shall be considered attendance by the voting Member at the meeting.

**Article XI. Miscellaneous**

**Section 11.01 Non-Discrimination**

(a) All SA officials, bodies and clubs shall make determinations regarding employment and provide access to services, programs, and activities without regard to an individual’s race, color,

Section 11.02 Eligibility

(b) In addition to any other requirements stated in the SA By-Laws, a student must be a member of the Student Association and in academic good standing (as determined by the University at Buffalo) in order to serve in any SA appointed office, to be a candidate for any SA elected office, or to serve throughout one’s elected or appointed term. This provision does not apply to SA’s professional staff. Notwithstanding the foregoing, the Senate or Executive Committee may designate specific student staff positions that may be occupied by non-undergraduate UB students, except for the Elections and Credentials Chair, Assistant Treasurer and anyone who is an ex-officio member of the Senate. Senators and Officers must be at least 18 years old.

Section 11.03 Severability

(e) No Student Association official shall be required to take any action in violation of any applicable federal, state or local law, or any University at Buffalo or State University of New York policy or rule. The invalidity or unenforceability of any provision of the SA By-Laws or any SA policy shall not affect the validity or enforceability of any other provision. Any invalid or unenforceable provision shall be deemed severed from the SA By-Laws or relevant policy to the extent of its invalidity or unenforceability only, and the SA By-Laws or relevant policy shall be construed and enforced as if the SA By-Laws or policy did not contain that particular provision to the extent of its invalidity or unenforceability.

Section 11.04 Waiver of Notice

(d) Any person may waive any notice required to be given to such person in writing, including by electronic mail to the chair of the body required to provide such notice. Any person in attendance at any meeting shall by that person’s attendance waive any objection concerning notice with respect to such meeting.

Section 11.05 Notice by Electronic Mail

(e) Except where another means of notice is specified in these By-Laws, any notice (including written notice) required by these By-Laws or any SA policy may be provided by electronic mail. Whenever notice may provided via electronic mail, the recipient’s electronic mail address shall be the recipient’s official University at Buffalo email address ending in buffalo.edu. Without limitation, a person who sends any notice shall be deemed in receipt of that notice.

Section 11.06 Action (Excluding Elections) by the Members, Senate, any Committee

(f) Any action that may be taken by a body (excluding elections) may be taken by majority vote of the members present at a duly held meeting of such body, except where otherwise stated in these By-Laws. Where in the SA By-Laws there shall be reference to a vote by a larger majority (such as,
for example and without limitation, 2/3 majority) that shall refer to that fraction of members
present at a duly held meeting of such body.

Section 11.07 Elections
(g) Elections of Officers and elections of Senators may take place by polling at polling station(s)
on the UB campus(es) (utilizing mechanical voting machines, written and/or electronic ballot, and/or
any other method as may be provided for under SA’s election rules) and/or by online voting. SA’s
election rules may determine which of those methods shall be used and provide further details
regarding the manner of casting and counting votes. Neither the election of Officers nor the election
of Senators shall require a meeting of the Members.

Section 11.08 Election Voting
(h) The candidate with the most votes shall be the winner of any SA election, without regard to
whether such votes constitute a majority, except where otherwise stated in these By-Laws. If a
winner cannot be determined due to a tie, the tying candidates shall participate in a run-off election
according to such procedures as may be included in the election rules, or if there are no such
provisions included in the election rules, according to procedures established by 2/3 majority vote of
the Elections and Credentials Committee.

Section 11.09 Student Activity Fee Referenda

(j) In the SA By-Laws, whenever the context requires, the singular number shall include the
plural, and vice versa. The words “include” and “including”, and variations thereof, shall not be
deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without
limitation”. Any reference in these SA By-Laws to “the University,” “the University at Buffalo” or
“UB” shall be deemed to refer to the State University of New York at Buffalo. Any reference in these
SA By-Laws to dates on the academic calendar shall be deemed to refer to the academic calendar of
the University. As used herein, the “SA Office” shall refer to SA’s main office located at 350 Student
Union, UB North Campus, Buffalo, NY 14260. The captions used in this document are for convenience

Policy Information

Internal Control Program Approved: April 19, 2022

The Student Association prepares an annual budget according to the processes set forth in the SA By-Laws and SUNY policies. Every expenditure by SA or an SA recognized club is pursuant to an approved budgetary allocation. Estimated revenues and estimated expenditures must be based on realistic projections. As used in this Policy, “Budget” for clubs means the amount of money allocated by SA for the club at the beginning of the relevant fiscal year for that year.

SA uses a system of budgetary accounts to codify the budget. The breakdown can be found within SA’s chart of accounts and line descriptions. Each budget is for the fiscal year beginning on August 1 and ending on July 31 of the following year. Once the proposed budget has been prepared, it must be formally approved or adopted in accordance with the SA By-Laws, UB and SUNY policies.

Prior Year Budget Activity and the Effect it has on the Current Year’s Budget
Any encumbrances outstanding at the end of the fiscal year (July 31) will be voided prior to fiscal year end and entered into the new fiscal year’s budget. They may be voided prior to 7/31 if it is not reasonably possible for the check to be processed in the last check run of the fiscal year.

Club Budget Tier System
The Student Association, in its efforts to maintain consistency from year to year, categorizes clubs into tiers. Each tier has requirements that organizations must meet to be eligible for the funding sources that the tier provides. Funds will be budgeted and disbursed based on approved viewpoint neutral policies and procedures. Consistent with the mandates of SA’s By-Laws, SA is strictly prohibited from considering the viewpoint(s) held and/or expressed by any club, its officers, or its members when making club budget determinations. No club should expect their sole funding to come from the Student Activity Fee.

The term “active members” refers to the number of voting members a club has in accordance with their approved constitution. The amount of active members in a club is considered for the purpose of determining the level of undergraduate UB student participation and attendance at the club’s events and activities and the consequent objective financial needs of that club.

Tier I
Clubs who are assigned to this tier are generally new clubs and clubs who did not apply for a budget during the spring’s budgetary process. Clubs within this tier receive a flat budget amount of $250. Budgets are only available to new clubs once they have completed all recognition requirements as stated by the New Club Recognition Policy. Clubs within this tier must meet the requirements as set forth by the Annual Registration and Requirements for Recognition Policy.
Tier II
Clubs who are assigned to this tier have requested a budget and have been approved to have a budget of $251 - $2,499. Clubs in this tier must complete the following requirements:

1. Be a recognized SA club.
2. Have completed 4 Club Meetings and/or Events for the academic year.
3. Have at least 20 active members.

Tier III
Clubs who are assigned to this tier have requested a budget and have been approved to have a budget of $2,500 - $4,999. Clubs in this tier must complete the following requirements:

1. Be a recognized SA club.
2. Have completed 5 Club Meetings and/or Events for the academic year.
3. Have at least 20 active members.

Tier IV
Clubs who are assigned to this tier have requested a budget and have been approved to have a budget of $5,000 - $9,999. Clubs in this tier must complete the following requirements:

1. Be a recognized SA Club.
2. Have completed 6 Club Meetings and/or Events for the academic year.
3. Have at least 25 active members.

Tier V
Clubs who are assigned to this tier have requested a budget and have been approved to have a budget of $10,000 - $19,999. Clubs in this tier must complete the following requirements:

1. Be a recognized SA Club.
2. Have completed 7 Club Meetings and/or Events for the academic year.
3. Have at least 25 active members.

Tier VI
Clubs who are assigned to this tier have requested a budget and have been approved to have a budget of $20,000 - $50,000. Clubs in this tier must complete the following requirements:

1. Be a recognized SA Club.
2. Have completed 10 Club Meetings and/or Events for the academic year.
3. Have at least 30 active members.

Budget Requests Packets
During the spring semester of each academic year, clubs can submit budget requests through the SA website. Any club that does not submit a budget request by the SA Treasurer’s set deadline will receive a $250.00 budget.

General Budget Limitations
There are certain limitations that automatically apply to requested budget amounts before any other factors are applied. They are as follows:

1. The maximum budget for any club is $50,000.
2. The amount of a club’s budget request will be reduced to the lower of: (a) the total amount requested by the club or (b) the total itemized expenditures in their budget packet.
3. A club cannot receive more than the maximum budget allocated for their eligible Tier.
4. Clubs must meet the requirements for the Tier they have requested a budget for to change their current Tier. Clubs which do not meet the requirements for their respective Tier will be eligible for, at most, funding in the Tier that they did complete the requirements for.
The calculation of tier requirements will include club activities from the first day of the fall semester up to Monday of the third week in April of the current academic year.

5. Clubs can only move up one Tier at a time.

Club requests must be allowable under SUNY policy to be allocated. There are also other limitations which apply to calculated budget allocations after all other factors are applied. They are as follows:

1. The total funds allocated to all clubs in total may not exceed the total available amount set by the SA Treasurer prior to club budget considerations.
2. A percentage reduction to the proposed budget of all clubs may be applied if necessary to reduce the total amount allocated to clubs. Tiers one, two and three clubs shall not receive a percentage reduction. Tier 6 clubs will receive a percentage reduction that is double the percentage of tier 4 clubs with tier 5 clubs’ percentage being halfway between the two.

Historical Data
The Student Association considers the then-current academic year and then-previous academic year when determining budgets for clubs with historical data.

1. For clubs in tiers 5 and 6 requesting a budget increase only: No club shall receive a budget more than 5% higher than the amount they spent during the then-previous academic year or the year before that, whichever is greater.
2. For clubs without historical data (i.e., new clubs), the total budget allocation shall not exceed $1,500.
3. If a club has been found to have committed 3 or more policy violations in the then-current academic year, 10% shall be removed per violation (starting with the third violation) from the final proposed budget of that club.

Expenditures
All expenditures involved in the calculation of a club’s total budget numerical request must be itemized. If the expenditures are not itemized and detailed, money will not be provided for them. Itemization involves explaining what the expenditure is and listing out the specific items and their individual costs needed for that expenditure. Numerical ranges and descriptions such as “Other Expenses” are not allowed. The Student Association will not allocate as part of a club’s budget request funds for the following expenditures:

1. Food for general body meetings; this excludes banquets and similar events.
2. Merchandise as defined by the Ticketing and Merchandise Policy.
3. Gift Cards.
4. Tangible items to giveaway.
5. Individual non-transferrable memberships to outside organizations.
6. Publications or Digital Media.
7. Separated hotel and transportation book-ins for Artists. Any fee paid for a performing artist should be inclusive of the vendor paying for the artist’s accommodations and travel.
8. Expenditures that violate any applicable policy or law, are not reasonably feasible, are not covered by SA’s existing insurance, or could result in unreasonable liability and/or safety risk to the club, SA, and/or UB.
9. If reasonably equivalent goods or services can be provided by another vendor at a lower price, funding shall not be provided for the excess amount.

Events
For events that are expected to cost over $1,000, the following are required:
1. Estimated attendance (broken down by undergraduate UB students, non-undergraduate students of UB, and outside public).
2. If a repeat event, information on past attendance with numerical data.

If the total cost of the event (excluding conferences and competitions) divided by undergraduate UB student attendance is more than an individual student’s activity fee for a semester, then expenses will be capped at the amount of an individual student’s semesterly activity fee multiplied by the number of undergraduate students included in a reasonable attendance estimate based upon past attendance.

Appeals

Clubs may appeal budget determinations within 10 days of when the club is informed of the budget determination by email. SA shall provide notice of the budget determination to the President and Treasurer of the club, based on the last updated information provided by the club to SA using required procedures. During the UB spring and fall semesters, any budget appeals shall be handled by the Senate. During winter and summer sessions, budget appeals shall be handled by the Executive Committee. Any appeals made by clubs may only be based on procedural error, inaccurate application of the above criteria or math pertaining to the relevant club, or violation of law. A club may only appeal its own budget, not that of any other club. Appeals shall be decided within 45 days of when they are submitted. The Executive Committee may decide any such appeal following the last day of classes of the spring semester, if the Senate has not rendered a decision on it. If a club is successful in its appeal, that shall not result in a reduction in the funding of any other club.

Club Requirements
Each club must complete a set of approved and neutrally based requirements to maintain recognition with the Student Association. The following will be the meeting and event requirements for each academic year:

1. **Hold two (2) or three (3) club meetings or events** on campus
2. **Hold one (1) club event** on campus
3. **Must Maintain University Recognition approval throughout the Academic year, and may not become frozen by the University for violations of the University Recognition Policy.**

Failure to complete the above stated meeting and event requirements by April 30th annually will result in the club being ineligible to participate in the annual registration process, being derecognized on May 1. Any club that loses their approval for University Recognition by the University shall also be considered derecognized by SA. The requirements stated in this section shall not apply to any club newly recognized under the New Club Recognition Policy by the Student Association Officers during the period starting on March 15 and ending on the last day of finals each spring semester annually.
Annual Registration

Any club recognized by the Student Association will be required to complete a three-phase annual registration process. The first phase of the process will start during the month of April annually. All officers of the club must complete phase one and two before they can have access to complete phase three. Failure to complete all steps in each phase will result in the club being derecognized according to the timeline listed below, and have a final deadline of the last day of finals of each spring semester. The second phase of registration will happen at the beginning of the fall semester and must be completed by the end of September annually. The requirements that clubs must complete for their annual registration will be as follows:

1. **Phase One: Each Spring Semester:**
   a. Complete their club election on UBLinked, following all requirements as detailed in their Club Constitution.
   b. Complete the University Wide Recognition Policy requirements annually, by the deadline set by the University.

2. **Phase Two: Each Fall Semester:**
   a. Complete and submit their Club E-Board information to SA through the SA website. The following information must be submitted for each E-Board Member (forms must be completed every year even if the same person holds the same position):
      i. First and Last Name
      ii. UB Email Address
      iii. E-Board Position Held
      iv. Person Number

   b. Complete and submit a constitution update form through the SA website
   c. Complete the University Wide Recognition Policy requirements annually, by the deadline set by the University.

2. **Phase Three: Each Fall Semester:**
   a. All Student Association Recognized Club Officers must attend Club Orientation/Training regardless of format.
   2. If the training is offered digitally the club officer will be considered as completed if:
      1. The officer watches all videos and reviews any additional documents and resources.
      2. Complete any quizzes with an 80% correct score and 80% overall score.
   b. All Student Association Recognized Club Officers must attend Bystander Intervention Training.

Timeline for Registration

Phase one and Phase two of the registration process will open annually each April. Clubs will need to complete the stated steps of phase one and two to gain access to phase three and steps according to the timeline listed below. Failure to complete steps by the stated deadlines will result in the consequences listed.

**Phase One:**

1. **Deadline 1:** Clubs must complete their club elections by the date listed in the club’s constitution.

2. **Deadline 2:** Complete University Wide recognition policy requirements by deadline set by the university. Failure to complete this step will result in your club being derecognized regardless of competition of other phases.

**Phase Two:**
3. **Deadline 3:** Clubs must complete the following forms to satisfy the requirement of reporting new officers to SA. These will be accepted on a rolling basis. All 4 officers of the club must complete this requirement (unless there is a vacancy) before they gain access to phase 2.
   a. If the election is held and there are vacancies within the Eboard the club must submit a vacancy form on the SA website.
   b. After elections are held the club must complete an officer update form on the SA website for each officer.
4. **Deadline 4:** To participate in Campus Fest clubs must complete phase one and phase two before July 15th.
5. **Deadline 5:** Phase Two must be completed by the Friday of the first week of the classes each fall semester. Failure to meet this deadline will result in the club being derecognized by SA on the following Monday regardless of completion of other phases.

**Phase Three:**

6. **Deadline 6:** Clubs who wish to have access to their budget before September 1st will need to complete phase two and phase three prior to August 1st annually. Failure to complete Phase Two and Three before the deadline will result in the club’s budget remaining frozen until at least September 1st. For
   a. Clubs will not gain access to their budget until they complete phase two and phase three no matter the date.
   b. **Deadline 7:** Phase Three must be completed by September 30, annually. Failure to complete Phase Three by the deadline will result in the club no longer being a recognized SA Club regardless of completion of other phases.

**Violation of This Policy**

Clubs who are ineligible to participate in the annual registration process and clubs who do not complete all parts of the registration process by the aforementioned deadlines will automatically cease to be recognized Student Association Clubs.
Each Student Association club must maintain a club constitution that is approved by the Student Association to gain and keep recognition. The Student Association Office will maintain copies of all currently approved constitutions for all clubs. SA will not approve a constitution if it contradicts any Student Association, University at Buffalo, SUNY, New York State, and/or Federal law, by-law, policy, rule, or regulation. Clubs may only use their approved constitution. A Club who uses a non-approved or not the currently approved club constitution will have any actions taken using that constitution overturned by the E&C Committee.

All clubs must use the approved Student Association Club Constitution template, beginning with Phase One of the Spring 2023 Annual Registration process. Clubs who wish to update their constitution must complete the constitution form on the Student Association website. All clubs who are applying for recognition will complete this form as part of the Club Application process through the SA website. Within the forms clubs will have the ability to update or select the following:

1. Club Name
2. Club Purpose
3. Voting membership requirements
4. Non-voting membership requirements
5. Additional Officer duties
6. Additional extended E-Board members and their duties

Any other change to the constitution template by a club is not allowed. All constitutions will be approved by the SA Vice President and one Club Officer as part of the new club process and the annual registration process, and upon request of the club for an update to be approved.

The Student Association Club Constitution Template and any changes to said template must be approved in writing by the SA Vice President and either the SA President or Treasurer.

Requested Through: Senate Supplemental Funding - gavinkra@buffalo.edu
Requested by: Zanaya Hussain, Secretary (zanayahu@buffalo.edu)

Event Name: Write for Rights Event

Event Description:
Amnesty International is requesting funding for an event this spring that is a conference and Write for Rights campaign on global human rights abuse. We will invite researchers from Amnesty International, local social justice artists and poets. The conference will include petitioning our representatives by writing letters. Our event will also provide catered food.

Event Start date and time: 02/26/2024 6:00 PM
Event End date and time: 02/26/2024 7:30 PM

Benefits of the event to UB undergraduates:
Amnesty International is a crucial organization on campus and in the international community, and lack of a budget functionally silences our club from being able to be an objective voice against human rights violations. Without a budget (after being accidentally derecognized), we are unable to hold events with respected experts in their fields to raise awareness about global events and hold campaigns for equality that require funds for the necessary supplies.
Purpose of event: Provide a space to learn about global issues and encourage civic engagement. Facilitate discussions on important conversations where students can engage with faculty, researchers, and peers.

Benefits of the event to UB undergraduates:
The money requested will be used for new equipment for the Tae Kwon Do clubs' weekly practices. UB undergraduates will benefit from this equipment as we will be able to properly hold practices with the necessary equipment.

Purpose of event:
This equipment is needed because the Tae Kwon Do club has large amounts of broken equipment (beyond reasonable repair) and equipment that was never bought in the first place. Many of our practices do not have the quality that we want because we lack items such as hand targets, mats, and sparring gear.

Royalty Pageant, where 10 contestants (maximum) would compete to become one of our three organization pillars, and the headlining winner Ms. P.U.L.S.E., totaling 4 winners. The timeframe for the event would be 5 pm - 10 pm, totaling 5 hours of the rental request. There would be approximately 3 rounds consisting of Professionalism (based on their resume background and community service as a woman of color), Talents (where they would demonstrate acts they consider to be talents - 5 min. maximum performance), and lastly Scenarios (“What would you do?” game where all contestants will be given same question/scenario but be blinded/“can’t hear” the responses of the other contestants). We will have about 4 judges who will be deciding on the winners and we will have QR codes on the tables/chair handles for the audience to vote for contestants’ winners as well.

### Event Start date and time:
- 04/01/2024 5:00 PM

### Event End date and time:
- 04/01/2024 10:00 PM

Supplemental Funding Request

Society of Automotive Engineers (SAE)

Council: Engineering

Club Name: Society of Automotive Engineers (SAE)

Requested Through: Senate Supplemental Funding - gavinkra@buffalo.edu

Requested by: Elan Kopit, Secretary (elankopi@buffalo.edu)

Event Name: SAE Baja California Competition

Event Description: SAE Baja California is an off-road vehicle competition taking place in Gorman, California this year. The competition features a design, business, endurance, and acceleration competition. Students in the club have worked throughout the year on designing, fabricating, and testing the vehicle. Recently the club has gone through a resurgence this year, with brand new leadership, and more interest.

Event Start date and time: 04/19/2024 12:00 AM

Event End date and time: 05/02/2024 12:00 AM

Benefits of the event to UB undergraduates:

As said previously, we have had a large increase in membership this year and a large increase in participation within the club. The club provides a unique learning opportunity and hands-on experience in which students from all backgrounds and majors can learn everything from vehicle design and engineering principles to business management, machining, and fabrication. Our club invites a diverse group of students, with no experience or prerequisites needed, to learn valuable professional and life skills, applying classroom knowledge to the real world.

We look to continue making this club accessible to all and strengthening the deep sense of community our club members share.
Purpose of event: This event shows off SAE club members' work throughout the year and gives recognition to the club and the school internationally--increasing undergraduate retention and participation as well as providing a selling point for both the school and SEAS.

While we do have budget left, we are a club composed of multiple teams and administrative costs. We are saving for three competitions, one of which is for SAE Clean Snowmobile which competes in March. The budget is divided up between the teams and executed individually. Our greatest expense outside of material and tooling cost is the cost to go to and stay at competitions. We still need to fund the Clean Snowmobile competition and fabrication cost, administrative costs, and more SAE vehicle costs.
