UB Student Association Announces 2019 Winter Programming

The Student Association is pleased to announce that during winter break from Monday, January 14th-17th SA will be holding, for the first time, a week of winter programing. It is critical that we do not forget about the students who are unable to leave campus during winter break and provide them an outlet to explore the greater Buffalo area. The week will include a hike through Chestnut Ridge Park, a suburban saunter, a turkey dinner demo and a snow tubing trip to Ellicottville. “As a large majority of students leave campus over winter break, there is still a large number of students that are unable to leave or choose to stay in order to take winter classes. It is important to provide those students with opportunities to get away from campus or take a break from their studies for a few hours. I am proud to start this initiative and I hope that it is continued by future Executive Boards” said SA President Gunnar Haberl.

“Many times when students come to UB they are swamped with their studies. Having these events for students during winter break allows those students to take a step back, relax and enjoy some of the great opportunities that the Buffalo area can offer” said SA Treasurer Tanahiry Escamilla.

For the most up to date information pertaining to these events please be sure to follow SA on social media @ub_sa or visit the SA website at sa.buffalo.edu.

About the University at Buffalo Undergraduate Student Association

We are your undergraduate student government. We exist to make you undergraduate student experience everything that it can be. We represent you before the University administration, continuously advocating for your best interests. We also provide a wide range of services, oversee and ever growing roster of clubs and organizations, and put on memorable events all year long.

The University at Buffalo’s Student Association is unique amongst SUNY schools in that we are entirely student run. SA is funded through student fees and ultimately overseen by our executive officers, the SA Senate and the SA Student Assembly all of which are comprised entirely of undergraduate students. We are your Student Association.
